# 2010 Gold Coast Flyfishing Convention

-Hosted by -

19th - 21st March 2010

Camp Bornhoffen, QLD

This will be the fourth bi annual Convention hosted by the South East Queensland Flyfishers Club Inc. with each growing progressively bigger and better.

Up to 100 keen flyfishers from all over Australia gathered together to see and try the latest in flyfishing gear and equipment and to meet and learn from the best practitioners of our sport. Whether your target is trout, bass, tuna, barra or marlin you can investigate the latest techniques, tackle and opportunities with flyfishermen and women at the cutting edge and being a live-in weekend you have no time restraints on your discussions and activities.

All of the leading tackle distributors plus a couple of retailers will be there with their products set up for you to try and compare. The venue offers large expanses of lawn ideal for casting and tuition which will be freely given by qualified instructors.

Australia's leading flytyers will be demonstrating and explaining their art and use of the latest materials and patterns used in the pursuit of your favorite species offering you the opportunity to explore your interests in detail.

The Convention is to be held in the Gold Coast hinterland at Camp Bornhoffen on the Nerang - Murwillumbah Road where comfortable ensuite accommodation is provided together with all meals for the weekend at a total cost of \$195.00 per person.

**\*\*\* NOTE \*\*\***

**"Earlybird" registration with payment prior to 15 January 2010 is only \$ 175.00 per person.**

Those traveling by car should provide their own bed linen. For those traveling by air we will provide linen, towels etc. at no cost and if you wish we can meet you at Coolangatta or Brisbane airport and convey you to the venue.

Who will be there? All are well known, widely published and celebrated for their expertise and experience in a wide variety of flyfishing applications. They include **Peter Morse, Juan Del Carmen, Micah Adams, Shaun Ash, Muz Wilson, Jon Makim, Nial Logan, Rod Harrison, Mick Hall, Matthew Howell** and others. These are the people who will be in attendance to offer their assistance and skills in improving yours.

Guests are also asked to bring their best A4 sized photograph for judging by popular vote. The winning entry will receive a gift voucher. Also don't forget to bring along an entry for the flytying competition. Colour, neatness, etc. are not the criteria, just bring your creation along and we will chuck it in the pool to see how it swims and behaves as a fish attractor. The winner, judged by a panel of Australia's top Flytyers (who will undoubtedly pinch your ideas) will receive a big bunch of tying materials.

There will be other fun events, raffles etc. but the main aim is to allow you access to the latest and greatest in flyfishing and to acquaint yourself with fellow flyfishers, swap stories, contact details and invitations.
